

SVT Kids! Summer 2008

From the creators of *The Intergalactic Nemesis* comes another awesome opportunity to get your kids involved with theater! **Salvage Vanguard Theater presents four out-of-this-world programs for children that will surely shape their lives forever (or at least for the summer)...**

Introducing **SVT Kids!**, an educational program that nurtures the student's creative voice while building teamwork and communication skills. All camps are open to children ages 6-11, and each week ends with a performance!

Held at SVT's new facility at 2803 Manor Road.

For more information and to register call 474-SVT-6. www.salvagevanguard.org

Instructor Bios:

Nitra Gutiérrez is a teaching artist working on her MFA at UT Austin. She has made theater with young people and adults in rural Alaska, Victoria and New York City with a focus on making art for positive social change. She is an active Improviser, Actor and Playwright who loves collaborating with young people.

Nat Miller has a Masters Degree in theater education and is a certified public school teacher. He directs, teaches creative drama & improvisation and devises original theater work with youth. His main interests are in developing self-confidence, using the imagination, collaborating and empowering young people through theater.

Connor Hopkins is the founder of The Trouble Puppet Theater Company and the Austin Puppet Society. He has been making puppets for ten years. He has taught workshops and classes for Totally Cool/Totally Art, Irongate Studios, and the Scottish Rite Children's Theater.

Chris Hatcher is a theater artist who has worked with young people as a performer, teaching artist and mad scientist all over the country. He loves working behind the scenes and is also a graphic designer and video producer.
